

## WHAT IS THE JUNIPER TREE?

The Juniper Tree is a “home away from home” offering comfortable accommodation for Christians working outside their own culture. From a short, three night “Mini Retreat”, to a longer stay for vacation, recuperation or childbirth, the Juniper Tree offers a perfect oasis of peace and beauty in Chiang Mai.

Unlike a hotel, we do not service rooms daily but offer a personal laundry service with clean sheets and towels available when needed. The Juniper Tree provides three meals a day (no dinner on Sundays) in order to provide the best value possible. Meals are eaten family-style at set times for one hour: Breakfast 8 am, Lunch 12.30 pm and Dinner 5.30 pm.

The Juniper Tree strives to be family-friendly, while also catering for those who need a quiet place of retreat. It has proven to be a place of real blessing as guests connect with those who share similar experiences. It is also a safe place for those who are traveling alone, for those needing medical services, and for those requiring the counseling services of The Well ([www.thewellintl.org](http://www.thewellintl.org)) or Cornerstone ([www.ccfthailand.org](http://www.ccfthailand.org)).
